### *SAVE THE DATE!*

## GREENING SCHOOLS FOR HEALTHY CHILDREN: A COMMUNITY FORUM

Tuesday, October 30, 2007, 4:00-6:30pm  
North Babylon High School Auditorium  
1 Phelps Lane, North Babylon, NY

Contact Stephen Boese 212-482-0204  
[sboese@healthyschools.org](mailto:sboese@healthyschools.org)

Come hear, learn and contribute to a community forum about Greening our Schools for healthy children. Learn what you can do to help your school save energy, be environmentally friendly and Healthy and Green! Learn about the *Healthy and High Performance School*, which assures a healthy learning environment for children, teachers and all school personnel.

Please join  
Assemblyman Bob Sweeney,  
State Senator Carl Marcellino (invited)  
Assemblyman Steven Englebright (invited)  
And a distinguished panel of Education, Health, Design and Environmental Experts

#### Learn about:

- NY-CHPS-an exciting new Healthy High Performance design manual for new construction and major renovation from the NYS Education Department and NYSERDA
- New York State's new law for healthier and greener cleaning products for schools
- Tools that schools can use to become healthier, cleaner, more energy efficient
